Parent and Family Association

Parent and family members of UO students are invaluable partners in student success. Involved and informed parents are able to be a resource for students and the university. Our office, housed in the Division of Student Life, is dedicated to creating an exceptional experience for parents and family members while their student is at the UO.

The UO Parent and Family Association (PFA) was established in 2005 to enhance programs and services for parents and family members of UO students. We offer support, information, and resources to UO families through our family programming and our website. Family members can join the Parent and Family Association for a one-time membership fee. This fee is used to provide an array of programs and services to parents and families throughout their student’s college experience.

PFA benefits include:
- Monthly e-mail newsletters
- Discounted tickets to family weekend events
- Access to the Student Rec Center during family weekends
- Admission to campus museums during family weekends
- Volunteer and service opportunities
- Access to key Division of Student Life administration at events
- Exclusive e-mails during the first six weeks of schools
- Urgent news updates and notifications from the UO
