iHost is Taking Eugene by Storm

iHost is a movement to educate young adults on how to host responsible parties. The goal of iHost is to educate hosts on their responsibilities as well as what it means to be a good neighbor and community member. The iHost website (www.541host.com) has a Q&A section to address common questions about hosting parties as well as multiple resources that can help students guide the hosting process responsibly. Stay in touch by following @541Host on Twitter!

Zipcar in Eugene

The University of Oregon utilizes the international Zipcar car sharing program which gives students have access to a vehicle when they need one. Zipcar allows students to use cars on an hourly basis so you “have wheels when you need them”. In order to use the service, students must register online and be approved after a driving record check. Once registered and approved, students can search for an open car and reserve their time with the vehicle. There is a membership fee, and an hourly driving rate around $8.50/hour, but gas and insurance is covered by the company. The company uses a magnetized card system for access to the vehicle and the keys will be waiting inside. It’s that simple! Register, reserve, drive. Zipcar is a convenient, easy to use, transportation alternative that is great for students at the U of O. Visit their website by clicking here.

Day Trips from Eugene

The rain is starting to die down and there is beauty to be seen everywhere! But what is there to do outside of Eugene? Take a look at some easy day trips.

Oregon Dunes: The Oregon Dunes is the largest expanse of coastal dunes in North America and you won’t want to miss seeing this Oregon gem which provides for a wide array of activities including hiking, horseback riding, ATVing and paddling. The dunes stretch along the coast from Florence down to Coos Bay. For more information, Click Here.

Salt Creek Falls: Salt Creek Falls is the second tallest waterfall in Oregon and is just a short drive from Eugene. The falls are easily accessible off of Highway 58, about 60 miles from Eugene. In addition to easily accessible viewpoints, there are also great hiking trails in and around the area. For more information, Click Here.
You’re a Duck. You care about the environment. Here are some tips for moving out sustainably.

Thank You to all of the Volunteers who came out Help at CommUniversity Days of Service!!!

More than 120 volunteers came together on April 19th to work on four projects to improve the neighborhoods surrounding campus.

Together we planted trees, collected food donations, did tree inventory and cleaned up trash to beautify the neighborhoods. The event wouldn’t have been possible without the help of volunteers and we genuinely thank you for your service.

Sincerely,

The CommUniversity Days of Service Team
GET INVOLVED!
The University of Oregon’s official site for students to find out WHAT is happening on campus and HOW to be a part of it. From events, sports, clubs, and organizations, to workshops, volunteer opportunities and everything in between, GET INVOLVED is the place to start! Check It Out: getinvolved.uoregon.edu
